2.	Do you think it should be a priority of government?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	

B. Adjustment of Personal Income Tax Bracket

3.	The present personal income tax brackets (Section 24 A 2) in our Tax Code have not been adjusted since 1987 to take into account the changes in the consumer price index over the past 29 years. Will you support the immediate adjustment of the tax brackets?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	We will push for the gradual reduction of personal and corporate income taxes, adjusted according to inflation.
4.	Do you agree that the tax brackets should be indexed and adjustments should be done automatically every three years?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
5.	Will the adjustment take place during the first 100 days of the new administration?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	We will convene the LEDAC within the first 100 days and discuss the proposal for a comprehensive tax reform which includes adjusting the tax brackets

C. Income Tax Rates

6.	Comparison of the corporate and personal income tax rates among ASEAN countries would show that the Philippines imposes the highest corporate income tax rate at 30%, and highest effective income tax rate on individuals. Will you initiate and/or support the reduction of corporate and individual income tax rates?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
7.	Do you agree in a tax system that would free up some of the burden from wage earners while exacting more from corporate taxpayers and individuals with higher income?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	We support a fair tax system wherein those with bigger paychecks ought to pay higher taxes than those who earn less

Name of Candidate _____

D. Simplified Tax Compliance

		YES	NO	<i>Remark(s) (if any)</i>
8.	Are you in favor of the adoption of a simplified manner of computing net income for self-employed individuals and professionals with annual gross sales/receipts of ₱10 million or below, including simplified tax return filing, bookkeeping and invoicing requirements?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
9.	Are you in favor of exempting marginal income earners (those with gross annual sales/receipt not exceeding ₱100,000) from tax and from administrative requirements?	x		Yes we are pushing for tax exemption of those earning P30K income per month, P360K per year and below

E. Value-added Tax

10.	Originally, the rate of VAT was only 10% and increased to its current rate of 12% by the previous administration (now the highest VAT rate among the ASEAN countries). As an additional source of revenue for the next administration, will you consider increasing the VAT rate further? If so, at what rate?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
11.	When it was originally adopted, the VAT only covered a limited number of transactions. An amendment to the VAT broadened or increased the VAT coverage to include additional transactions (i.e., sale of real property used in business, professional income of doctors, lawyers and others). Will you consider broadening further the VAT base by revisiting the exemptions and effectively including more transactions subject to VAT?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Raising the VAT is not the only way to generate more revenue. We have a menu options to consider which includes, among others, improved tax efficiency, sliding scale excise tax on gas, diesel, etc; sale of gov't assets and privation of some GOCCs; rationalization of fiscal incentives, proper implementation of TIMTA; and stronger crackdown on smuggling

F. Excise Tax on Petroleum & Others

Excise tax rates on petroleum products have not been updated since 1997 and fuel prices are expected to stay low for at least a few more years, would you consider increasing excise tax on petroleum products?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	We are looking at sliding scale on excise tax.
13.	As a means to reduce air pollution, would you support legislation granting tax breaks to hybrid or electric vehicles?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
14.	Would you consider increasing excise tax on alcohol products, luxury or high-end automobiles, and other non-essential goods to increase tax collection?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	We are not looking at new tax measures. Please refer to #11

Name of Candidate _____

G. Rationalization of Fiscal Incentives

15.	With the passage of the TIMTA Law (Tax Incentives Management and Transparency ACT), it is now possible to monitor the various Investment Tax Incentives (ITI) granted by various Investment Promotion Agencies (i.e., BOI, PEZA, BCDA, PRA, TIEZA, and others). Will you support the passage of a fiscal incentives rationalization act that will allow greater scrutiny of the way ITIs are granted and managed, eliminate redundant incentives and retain only those which are necessary to make the Philippines attractive to foreign investors?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
-----	---	-------------------------------------	--------------------------	--

H. Estate Tax

		<i>YES</i>	<i>NO</i>	<i>Remark(s) (if any)</i>
16.	Some countries have already abolished or at least temporarily suspended the imposition of estate tax, which is imposed on the assets of a deceased individual upon death. Would you consider the abolition of estate tax in the Philippines?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
17.	Currently, the family home deduction for estate tax purposes is ₱1 million, would you agree to increase the amount considering the increase in the value of real properties in the Philippines? How much should be the deductible amount?	<input type="checkbox"/>	<input type="checkbox"/>	We are still studying this matter.
18.	How about the existing standard deduction, which is currently at ₱1 million, would you consider increasing the amount, which is effectively not subject to estate tax? If so, how much?	<input type="checkbox"/>	<input type="checkbox"/>	We are still studying this matter
19.	The brackets in the current estate tax table have not been adjusted since 1998, would you support an adjustment to the estate tax brackets to consider changes in the consumer price index?	<input type="checkbox"/>	<input type="checkbox"/>	We are still studying this matter.

I. Tax Administration

20.	Experts say that in PH only few are paying and more taxes are being collected from the few through recurring tax audit. Yet, there are businesses and/or individuals who can get away with not being registered with the BIR. Do you believe the tax system in the Philippines is unfair to many?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
21.	Some countries adopted drastic reforms like the reorganization of their tax administrations and human resources, giving higher pay to employees but imposing greater accountability, resulting in the improvement of the overall performance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	

	of their tax agencies. Do you think there is a need to adopt similar institutional reforms in our tax agencies like the BIR & BoC?			
22.	Will you strongly push for the elimination of corruption at the BIR and BoC?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
23.	Would you support the lifting of bank secrecy laws consistent with international standard to enable revenue authorities to combat tax evasion?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
24.	Would you consider granting a tax amnesty program as a prelude to the adoption of a comprehensive tax reform program?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
